Details Description The Name Change Kit For Brides Without Software By The Wedding Helpers

If not a computer savvy bride or adept on the computer keyboard or just wanting to keep your personal information off the Internet, this name change kit is for you! The Wedding Helpers Standard Version of The Name Change Kit For Brides, purchased through www.thenamechangekit.com or www.bridenamechangesoftware.com , comes **without** Software for the bride and groom wanting to hand fill marriage name change forms in the privacy of their own home. This is a less comprehensive marriage last name change kit.

However, with this name change kit version, there is the choice to plan, organize and track the progress of a last name change on-line (with the tracker – www.thenamechangekittracker.com) or even off-line (with The Name Change Kit Planner). A bride's and groom's personal information, such as Social Security number, bank account numbers, etc., supplied during name change notification, is not needed when organizing and tracking a name change via the Name Change Kit Tracker TM © Internet web space. While hand filling hard copy last name change forms, a newly married woman's personal information is kept safer off-line and more under her control, but on-line technological ease is still provided to help organize her name change, if she so chooses.

A Three part Bride Name Change System of Notification -

*Inclusions:*¹

Part 1

- **Hard copy of The Name Change Kit For Brides** - specifically for brides and grooms with or without computer and/or internet access. Needed complimentary hard copies of governmental name change notification forms - Social Security, Passport, IRS, Department of Elections, and more.
- **29 name change forms templates** - federal, state and locally specific non-governmental change of marital status forms. Also subject specific for banks, insurances, credit cards, credit bureaus, doctors, medical record keepers, schools attended, personal and professional membership affiliations, and more. Forms also included for groom and minor child/children of bride or groom.
- **12 pages of tips and step-by-step instructions** and more. Such as discussion on the "proofs" of marriage needed to validate name change or change of marital status, including information on "Certified" Copies of the *Marriage License*, order and types of notifications, etc."

Part 2 - The Name Change Kit Planner - A purse sized organizational planner book with multiple checklists carefully co-ordinated from pre to post marriage name change notification. More than just a single checklist!

Part 3- The Name Change Kit Tracker

- For the bride preferring to hand-fill her name change notification forms, we still include our Internet notebook and tracking web space for free! Yes, login information to your name change and change of marital status notification web space, notebook, organizer and tracker is included even with the Standard Version of our kit. Download new forms for hand-filling.
